Messrs. McCarter & English
765 Broad Street
Newark, N. J.

Gentlemen:

In reply to your letter of October 23, I wish to advise you that as no record is kept of local telephone calls, we cannot say whether or not a call was made on September 14, 1922, from New Brunswick 74 to New Brunswick 682.

With respect to calls between New Brunswick and Lavalette, New Jersey, on September 14, 1922, it is the general practice to keep toll tickets for a period of three months only, and we have been unable to find any toll tickets for calls between the above points on or about that date.

Very truly yours,
(Sgd.) G. W. McRae
General Manager
